53rd TELEPHONE PIONEER QSO PARTY

The George S Ladd Radio Club (Golden Gate Chapter) cordially invites all Telephone Pioneers (TelecomPioneers) Amateur Radio Operators in the United States and Canada to participate in contacting as many members in as many chapters as possible, including members of the United States Telephone Pioneer Association. *Phone Users*: call "CQ Telephone Pioneers". *CW and digital modes*, call "CQ TP".

SCORING: Each mode is scored separately. Each PHONE and CW/DIGITAL QSO is worth one contact point. Total score for that mode equals the contact points times Chapters worked in that mode. Only one multiplier may be taken for each chapter worked.

You may contact the same station on different bands. You may also contact the same station in your own chapter on different bands.

EXCHANGE: The exchange is the chapter number. You may give a signal report, followed by the chapter number, then your name. The exchange does not require a signal report and your name, but it is customary.

For example: W4BXI DE N6TP 599 138 JIM K

If you contact a non-pioneer, give him or her your contact information. Then enter "599" in the chapter number field. This will give you an extra multiplier. There is only one multiplier for non-pioneer contacts. The non-pioneer contact will be part of your QSO total.

Non-Pioneers can contact only Telephone Pioneers.

Occasionally, we will get asked "What is a Pioneer?" This year we will award a 10 point bonus for each time you explain what is a Telephone Pioneer. The maximum bonus will be 100 points. Use the summary sheet to list the calls, to claim the bonus points. Only Telephone Pioneers can claim the bonus points.
