**The 57th Annual Telephone Pioneer QSO Party**

Telephone Pioneer QSO Party Chapter Coordinators
Telephone Pioneer Radio Amateurs
TelecomPioneer Chapter Administrators

The Telephone Pioneer Amateur Radio Club of Alabama (TPARCA) invites all Telephone Pioneers, including former and current employees of the telephone related companies, and all other licensed amateur radio operators to participate in the **57th Annual Telephone Pioneer QSO Party**.

**We welcome contacts from non-pioneers as well.**

The Telephone Pioneer QSO party combines Telephone Pioneering and Amateur Radio. It is a great chance to renew old friendships. Help us celebrate the Annual Telephone Pioneer QSO Party.

## For the latest information and results go to: http://tpqso.com/

If you are a chapter coordinator, please make every effort to contact all the Telephone Pioneer operators in your chapter.

Included with this letter are the rules, log sheets and a summary sheet. **Please use the summary sheet!**

The Telephone Pioneer QSO Party is scheduled for **October ___, 2021.**

One complaint about weekend operating is the QRM with the various state QSO parties. The event will run eight hours with all modes running concurrently but scored separately.

**There will be a special digital only session from 18:00 to 19:00 UTC.**

Please give our announcement the widest possible distribution to all the known Amateur Radio Operators both pioneers and non-pioneers.. Thanks to all the previous coordinators who have made the TPQSO party a great success over the past 56 years.

DRAFT 02/03/2021

# *October 19, 2021*

## 57th TELEPHONE PIONEER QSO PARTY

The Telephone Pioneer Amateur Radio Club of Alabama cordially invites all Telephone Pioneers (TelecomPioneers) Amateur Radio Operators in the United States and Canada to participate in contacting as many members in as many chapters as possible, including members of the United States Telephone Pioneer Association.
*Phone Users*: call "**CQ Telephone Pioneers**". *CW and digital modes,* call "**CQ TP**".

**SCORING:** Each mode is scored separately. Each PHONE and CW/DIGITAL QSO is worth one contact point. Total score for that mode equals the contact points times Chapters worked in that mode. Only one multiplier may be taken for each chapter worked.

You may contact the same station on different bands. *You may also contact the same station in your own chapter on different bands.*

**EXCHANGE:** The exchange is the chapter number. You may give a signal report, followed by the chapter number, then your name. The exchange does not require a signal report and your name, but it is customary.

For example: W4BXI DE N6TP 599 138 JIM K

If you contact a non-pioneer, give him or her your contact information. Then enter "599" in the chapter number field. This will give you an extra multiplier. There is only one multiplier for non-pioneer contacts. The non-pioneer contact will be part of your QSO total.

Non-Pioneers can contact only Telephone Pioneers.

Occasionally, we will get asked ***"What is a Pioneer?"*** This year we will award a 10 point bonus for each time you explain what is a Telephone Pioneer. The maximum bonus will be 100 points. Use the summary sheet to list the calls, to claim the bonus points. Only Telephone Pioneers can claim the bonus points.

**TPQSO SCHEDULE:**
**There will be a special digital only session from 18:00 to 19:00 UTC.**

| Monday October **, 2021 | Start | End |
|---|---|---|
| **DIGITAL-ONLY SESSION** | **18:00 UTC** | **19:00 UTC** |
| **ALL MODES (CW, DIGITAL, PHONE)** | **19:00 UTC** | **03:00 UTC* (Monday Night Local Time)** |

* REMINDER: The 0000-0300 UTC portion is still "Monday evening" in the Western Hemisphere.
